Well, I left my happy home
To see what I could find out
I left my folk and friends
With the aim
To clear my mind out

Will, I hit the rowdy road
And many kinds I met there
Many stories told me
Of the way to get there

But sometimes you have to moan
When nothing seems to suit ya
Nevertheless you know,
You're locked in towards the future

MEMORY

And you wait, awaiting the one
to make your small life grow:
the mighty, the uncommon,
the awakening of stone,
the depths to be opened below.

Now duskily in the bookcase
gleam the volumes in brown and gold
you remember lands you have wandered
through,
the pictures and the garments
of women lost of old.

And you suddenly know: It was here!
You pull yourself together, and there
stands an irrevocable year
of anguish and vision and prayer.

Candy Fisher Reigns in '73 Homecoming

Homecoming Queen: Candy Fisher

A Happy excited Candy Fisher.

The lights went out ... the crowd hushed to a whisper ... tension, anticipation mounted ... and suddenly Candy Fisher was sobbing in happy disbelief as she was crowned 1973 Homecoming Queen. During the traditional half-time ceremonies, Candy's court was introduced to Saxons and alumni. They reigned over the remaining half of the game against West Warriors.

Sponsored by the Senior Class of 1973, the Homecoming Dance and reception was held in honor of these six beautiful girls. Music for the occasion was provided by the band Clap.

Homecoming Activity Week

Friday, October 20th, was just the beginning. At snack, 15 Saxon girls cried with joy when their names were read off as Top 15 for Homecoming. And again on Oct. 27th, five of these beauties sobbed in disbelief and happiness when they were announced as Top 5 for Homecoming Court.

Excitement and anticipation filled the air during the week of Homecoming activities — Oct. 30th - Nov. 3rd. It was five days of fun and laughs galore, which included a pie-eating contest, a 1950's fashion show, and a slave-for-a-day auction.

The North High Drill Team had an exciting and outstanding year, entertaining at half-times, parades, and concerts. At football half-times, contemporary music was the theme. The Drill Team marched and danced to the sounds of "Shaft", "J.C. Superstar", and Chicago.

North's Drill Team also entered four parades during the year. They placed third at Rosemead, and scored well at both Hawthorne and the Torrance Armed Forces Day Parade. The biggest event of the year for the Drill Team was their trip to Chicago. The girls raised money for the event by selling candy, raffle tickets, pop concert tickets, and holding a pancake breakfast. During their four day trip, the North High Band and Drill Team appeared in the Saint Patrick's Day Parade, and performed in a concert.

The Saxon Band and Drill Team won top honors in the Chicago Saint Patrick's Day Parade. They performed in front of the reviewing stand, occupied by the Apollo 17 Astronauts and Chicago's Mayor Richard Daly. The Saxons were honored with a first place trophy for their excellent performance. The Saxons also presented a pop concert in South Bend, Indiana, receiving standing ovations from the audience.

1973 CONCERT BAND

Saxon Band Took Pride in Perfection

The extraordinary 1972-73 Marching Saxon Band had a very exciting and successful year. Their activities ranged from half time shows to numerous parades. The band was led by Drum Majorette, Marilyn Hughes.

In their clever halftime shows, the Saxons played popular tunes such as Budweiser and Get It On, which stimulated the crowds to sing along.

In the parades the Saxons marched the streets of Rosemead, Hawthorne, Camarillo, Torrance, and Magic Mountain exhibiting exuberent showmanship wherever they went.

North hosted the second annual Torrance Marching Band Pageant. This serves as a money making project besides providing good entertainment for the crowded stands.

Some members of the band also belong to the Pep Band. These members helped to make North's pep rallies and assemblies the best ever.

One of the biggest fund-raising activities of this year was the Senior Class Play. It brought in a record-breaking figure-over \$700.00. The Class of 73 proudly presented THE IMPOSSIBLE YEARS, written by Bob Fischer and Arthur Marx. The play was an "adult comedy", containing many humorous and realistic situations. Being the first of its kind on the North High stage, the play met with high acclamation and enjoyment by administrators, parents, and the student body.

If That's Where Its at Baby . . .

This years All-School Play was called "If That's Where It's At Baby, I'm Not Going". It was about a student rebellion at a small, Mid-Western college, Prescott Rutherford University.

The leader is Gogo Gibson, a self-centered girl who has secret motives for rebelling. To get more publicity, she drags the founder's grandson, Prescott Rutherford III into the revolution. Prescott is a weak individual, who is constantly being pestered by his loving Aunt Maude. Opposed to the rebellion, is Tina Holden. She is in love with Prescott and thinks he is doing the wrong thing. In retaliation, she begins strike-breaking. To surprize everyone, Dean French resigns in favor of Prescott. Instead of solving the strike, it leads to more turmoil. However, in the end, everything turns out for the better. Gogo is defeated. Tina gets Prescott, and the university is allowed to resume the education of its students.

Happy yet tearful faces were found on the 1973 Basketball Royalty Court. The Queen Vivienne Mungia escorted by Pete Belanto was Crowned by last year's queen Marlo Bolles. The princesses from each class Carla Best, Julie Cimaruste, Kim Beaver and Lori Leong were crowned by their class-

es basketball captain. After Halftime Activities the court sat back to enjoy the winning basketball game against Torrance High. The court was honored by a dance with music by Free Hand, sponsored by the Freshman class following the basketball game.

The 1973 Basketball Royalty Week—Jan. 15th-19th—was an unbelievable 5 days. It was a week filled with tears and happiness, of joy and excitement, of fun and games. The Court participated in activities which were sponsored by each class. Monday began with a cold start as the girls tried desperately to melt a block of ice by sitting on it. Viv Munguia was the winner with a hot seat. A peanut pushing contest was next on the list and Lori Leong won by a nose. The 3-legged balloon race was won by Julie Cimarusti and Brandt Humphry.

This year's 1972-73 Pep Squad proudly displayed their spirit and promoted enthusiasm and interest in all Saxons watching North High games. As with all cheerleaders, the main aim is to keep the spirit high—but this comes from hard work and continuous practice to perfect routines.

During the summer, they attended camp at La Jolla in San Diego, where they won Excellent, Outstanding, and Honorable Mention awards for their competition cheers. Our cheerleaders consisted of seven highly spirited girls led by Cheryl Ehrenstein. Our flag twirlers, led by senior Sherry Jordan, attended camp at Cal Poly and placed 2nd in competition. These 6 girls performed at NHS games and various parades.

New at North this year were the majorettes and song leaders. Majorettes Julie Hueth and Wendy Sampson attended camp at Loyola University, where they learned routines for half-time shows and parades. Our song leaders, led by Nancy Lubben, performed every Friday along with the cheerleaders. It has been eight years since North has had song leaders. During the summer, these 6 peppy girls attended camp at La Jolla University at San Diego, where they won an Honorable Mention Award and several First Place Awards in the individual competitions. Providing assistance for the Pep Squad this year was their new sponsor, Mrs. Judy Byrd.

This year's North High musical, "Paint Your Wagon", was far different from those which had been presented in recent years. Rather than an original presentation, the music department chose to enact a famous Broadway musical.

The musical is one instance during the year when several segments of the Fine Arts are joined. Leads for the play came from both the music and drama classes. The choir served as musical back-up, and general tryouts were held for dancers. The dancers were directed by Mrs. Hale, and the music by Mr. Walker.

The play was in rehearsal for more than a month, thus assuring a highly successful and polished performance.

Under the guidance of Mr. Guy Old, the NORTH WIND continued on with its job of being THE newspaper on the NHS campus. Keeping up with the times and getting students interested enough to express their opinions were the first priorities. Thus, the paper devoted up to a whole page for editorials and features covered such controversies as school vandalism, election apathy, rock concert reviews, etc. Saxons were encouraged to express their reactions through Letters to the Editor.

This year's editor, junior Rene Terrazas, headed a staff which consisted of many newcomers to the room of journalism-328. Aside from the usual assignments and hectic deadlines, the staff also participated in several press days and field trips.

A Night to Remember

On Dec. 2nd, "Nights and White Stain" was presented to NHS by the Girls League. The result of frantic meetings, it turned out to be one of the most successful winter formals in years.

Held on a wintry Saturday night, the event was a setting of 150 couples amid soft lights, silver stars, and fragrant pine. Music was provided by the 10-piece band, "The U.N.", which played popular and original tunes. An exciting moment came when couple Mary Curtain and Pete Trevino were announced as the king and queen of the dance.

Student Center- New at North High

Pick out which record you want to hear.

"Here comes my famous bank shot!"

The television was a leading attraction.

New to North High this year was the Student Center found in Room 111. The Student Center was one of the more recent and significant actions made by the 1973 Student Council. Open at almost any time of the school day, the Center offers a place for students to go in their spare moments to enjoy a game of pool, listen to the lastest songs, or even watch television while munching on a favorite snack bought from the vending machines. All the money that the Student Center received went right back into the room to buy better and more fun facilities. From the outset the Center proved to be successful and popular with students and teachers alike. The Center has been instrumental in keeping wandering students off the quad. Another major problem of littering has been alleviated somewhat by the Student Center. The recreation room proved to be a welcome change in North High life to all students. Since it was initiated in January at the beginning of the semester, it has been the meeting place at snack, lunches and free class time of all different types of people. It was a place where Saxons met to talk, laugh and have a good time. Student Activities Advisor, Miss Montgomery is quite pleased with the efforts of the entire student body in making the Center a success.

Faculty Scores Their Annual Upset 28-24

The Donkey Basketball game, which took place on February 13, was as exciting as usual this year. Also as usual, the faculty team triumphed over the students.

Among the stars of the student team were Richard Romero, Earl Hon, Candy Fisher, and Matt Kobe. With some great shooting, the students were within four points of winning in the closing minutes of the game.

The faculty had such outstanding players as Mr. Cunerty (dressed in his National Guard uniform), and Buffalo Bob Quarry. Always playing an important part in the game was Mr. Janko, who seemed to have magical powers over his donkey.

The Donkey Basketball game was the most important fund raising event of the year for the Junior Class, producing profits of nearly a thousand dollars.

Firdevse Nevzat—Sunny Cyprus at NHS

This year, a new and pretty face was seen smiling on campus—that of Firdevse Nevzat, the AFS Foreign Exchange Student at North High. Firdevse, born in Limassol on the Mediterranean Island of Cyprus, lives there with her parents, 3 sisters and younger brother.

Arriving in Torrance, 16-year-old Firdevse was greeted warmly by her American family—Mr. and Mrs. Struckman and their children—Kathy, Bryn, Elyse, Jeff, and pet dachshund, Tula.

Like most other AFS students to NHS, Firdevse enjoyed such activities as Disneyland, Sea World and sunning herself at local beaches. Firdevse's school activities included the French and AFS clubs, serving on Student Council (in Cyprus, students do not have the privilege of having a student government), and one of her most exciting moments was participating in the Homecoming Ceremonies as the 1972 Honorary Princess. Asked to make any comments, Firdevse stated, "I like the U.S.A. because the people are so friendly. I also like the boys here."

Debate Squad Gains Experience in Argumentation

The North High debate squad had a difficult but profitable year. It was difficult due to the fact that nearly the entire varsity team graduated last year. It was profitable, however, since our many Novice teams gained experience by attending tournaments throughout the year.

The year began with a Novice tournament held at North. North also sent teams to two Varsity tournaments. Invitational tournaments were held at Torrance High, Mira Costa High School, and La Mirada High School. In order to qualify for the State Speech Tournament, one either had to win the U.C.L.A. Tournament, or the San Fernando Valley State University Tournament.

This was the first year for Mr. John Reynolds as Debate coach, and he said he was looking forward to more success in the future.

Student Council at Work

The 1972-1973 Student Council was a coalition of new members with fresh, new ideas. Under the sponsorship of Miss Montgomery and A.S.B. President Edith Bergay, the council worked toward establishing better communications with the student body. Suggestions from the suggestion box aided the council in pursuing actions that Saxons wanted.

Among the council's many activities were the Welcome Back Dance, Homecoming 1972, Basketball Royalty, and student body elections. They also endeavored to improve the appearance of N.H.S. with a new marquee, and shrubbery and spotlights. Planning the student body budget for the year and conducting a survey for W.A.S.C. (Western Association of Schools and Colleges) were also carried out. Probably one of the most welcome projects of the student council was the establishment of the new student center.

North denies oponents valuable yardage.

This year's Varsity Football team's goal was to repeat as the Bay League champions. The team's bid for the title fell short as they tied for second place. North ended up with a three win-two loss record in league and a four win-five loss record overall. Six Saxons gained recognition as being the best in the league by being selected on the 1972 All Bay League Team. Tackle Bob Francis, defensive guard Casey Jaworski, and kicker Wally Leistner made Bay League First Team. Selected to Bay League Second Team were defensive back Eddie Marr, running back Ed Bowen, and linebacker Matt Kobe. These six selections were more than any other school had.

This year's football team was coached by Jim O'Brien with the assistance of Bill Cunerty, Steve Schmitz, and Rick Francis. A lot of work went into the making of this team and it paid off in the end.

Saxons Take Second in Tough Bay League

The varsity football team started it's season off by facing the aggressive Carson team and suffered a defeat at the hands of the city champs. In the second game, led by quarterback Glen Nakagawa and running back Ed Bowen, the Saxons beat the highly-ranked Bell Eagles 17-13. Running was one of the keys to North's victories, sparked by running backs Don Means and Jim Zambarelli. Blocking was provided by guards Gary Netteland and Gary Brown, and center Matt Kobe. The strong defensive team was led by tackle Bob Francis, linebacker Casey Jaworske, defensive back Eddie Marr. North lost to the Burroughs Indians 42-15, but came back the next week to defeat Torrance 27-7. The football season ended with thrilling victories over Centennial 28-0, and rival South High 7-0.

Bees and Cess Takes Second Place

Starting off slowly by losing 4 of their first six games, the North High Bee Football came on strong, ending the year with three straight wins to finish 2nd place in the Bay League and only one-half game behind champion Santa Monica. Among some of the outstanding players this season were Dave Cohen, Joel Anderson, Jim Graves, Mark Toma, and Bill Peters. The team was coached by Mr. Elsten, Mr. Quarry and Mr. Cunerty.

This year, the Cee Football team suffered the agony of five defeats out of their nine games played this season. However, the will to fight brought them two victories and one loss in the Bay League competition, thus coming in 2nd place for the league title. Among those players with outstanding accomplishments were Kevin Klett, Dan Souza, Jim Charnell, Tom Streit, Bruce Bray, and Rod Swancoat. Mr. Kasten and Mr. L. Brooks were the coaches.

Varsity Wrestlers Place Second in Bay League

North's young varsity wrestling team was led by super-sophomore Herbie Kaichi (28-6) through a rebuilding year. Herbie won the Pacifica Tourney, took second in the Mira Costa Tourney, third in the Five Counties Tourney, first in the Bay League, first in the C.I.F. Sectional Tourney at Simi Valley, and fourth in the C.I.F. Finals to qualify for the first state meet ever to be held. He also was selected to the first all-South Bay wrestling squad.

Taking an over-all look at the Saxon varsity grapplers, the team fought a tough season trying to defend their league championship. They ended up with a second place in the Bay League this year. Among the consistent performers were Dunifer, Rodriguez, Uyeno, Vierra, Mitchell, Lowerison and Segarra.

Mighty Matmen of North— Bay League Champs

This year's Junior Varsity wrestling team was a young squad composed of one junior, twelve sophomores, and four freshmen. They began the year by capturing the 8 team Christmas Tournament at South High, and followed up with the championship of the Torrance 20 team Junior Varsity Tournament. Although the Varsity matmen often used members of the JV team to fill in for injured or sick wrestlers, the JV's still swept through the Bay League schedule undefeated to capture a co-championship title of the league.

Among some of the most consistent performers this 1973 season were Joel Anderson, Mark Lowerison, Roy Morimoto, and Mitchell Taguchi. All these Saxons won at least one tournament championship.

Success for Frosh/Soph Matmen

The Frosh-Soph wrestlers started the season with a bang by winning 8 of the 13 championships at the Bay League Novice Tournament, and then running away with the team championship. They followed up with a 2nd place finish in the 18 team El Camino Frosh-Soph Tournament, a 3-1 league record, and a 2nd place finish in the Bay League Tournament. Roger Davis, Jim Graves, Paul Reis, Dave Rodriguez, and Paul Saito won individual championships in the league tournament, while Dave Cohen, Pete Foster, Bob Motz, Bernie Schafer, John Sesto, Mark Takeyama, J. Davis, and D. Rodriguez captured Novice Tournament titles. This year's frosh-soph's were coached by Mr. Bob Quarry.

Varsity Baseball Team Goes for C.I.F. Title

The North High Varsity baseball team had another outstanding year. After having a slow start, Coach Jim O'Brien pulled things together and compiled an impressive record.

This years Varsity team took first place in the West High Baseball Tournament by defeating El Segundo in the championship game with a score of 9 to 1.

The team captain, Jim Zambarelli, led many outstanding individuals such as Tim Monaghan, Carlos Barbosa, Brandt Humphrey, Mike Cimarusti, and Ed Bowen to a winning season.

The Saxons powerful hitting and aggressive base running proved to be a key factor in their success.

Jim Zambarelli sets up a crucial score for the Saxons.

The Junior Varsity Baseball team was off to a great start in the 1973 Season. After successfully sweeping the Bay League as a Frosh-Soph team, they hoped to repeat the performance this year.

The first tournament of the year for the J.V.'S was at El Segundo High School. They had high hopes of taking first place. The team also intended to enter the Peninsula Tournament.

The Junior Varsity team was led by Coach William Cunerty. The Saxon offense was powerful to the point of being unstoppable, scoring an average of five runs in each game. The defense too proved formidable, allowing few runs to their opponents. Important contributions to the team were made by Ron Blake, Mark Toma, Scot Plye, and Dave Lubben.

Varsity Defends League Title

The basketball season for the varsity was rather disappointing with the Saxons taking second place in the league. The season was decided in the final league game when Santa Monica High won a close decision. Still the Saxons were in the CIF playoffs for the fourth time in the last four years and the ninth time in the last ten. There was no player of predominant size to overawe any opponents but coach Bierley put together a great team effort.

North High's J.V.'s succeeded in obtaining Veron Rosso first J.V. Bay League title. In doing so, their league record for this years season was 9-1. Their over all record was 18-6. This year seemed to be the most outstanding year the J.V. cagers had. "We always came through when we had to as a team," commented Coach Ross about his team. Leading in the scoring for the Saxons were Tim O'Neill, a transfer from Serra, E.J. Mercereau, Glen Nakagawa, and Larry Compton. K.C. Keller, only a sophomore on the squad, led the team in rebounding. Also putting points on the score board were Larry Gizzi and Craig Young.

Successful Saxon Season

The Bee basketball team finished the 1972 season with an overall record of fourteen wins and ten losses. This was good enough to capture another Bay League Title for a Saxon team. The team, mostly composed of sophomore players, always supplied an exciting game for the spectator.

The team was well supplied in both talent and depth. Among the most outstanding players were Bill Atkins, Victor Barbosa, Ron Tomich, and Mark Wellborn. Its excellent coaching was supplied by Coach Gross.

The Freshman Basketball Team had an overall record of seventeen wins and seven losses at the close of the 1972 season. The team was in contention for the Bay League Title until their record setting starter Bruce Miller missed the last four games of the season due to illness. Other outstanding contributions to the team were made by Steve Trunkett and Dan Souza. Glen Farley led the team in rebounding, and Richard Jew in Scoring.

This year's Freshman team was one of North High's finest, and shows great potential for a future in varsity competition.

Cee Basketball: ROW 1-Bob Diaz, Danny Souza, Richard Jew, Hiroshi Fukaya, Gary Barrett, Tom Granoff, Charles Godbee ROW 2-Daniel Gougeon, Ernest Rivera, Bruce Miller, Eric Larson, David Cernik, Glenn Farley, Steve Trunkett, Mike Haas, Vince Paldino, Tim Greenough, Coach Tierney.

This 1972-73 year marked only the second competitive season for the North High Soccer team. The young Varsity team finished fourth out of the entire Bay League. The relatively inexperienced team proved their skills when they pulled off a surprising upset against top-rated South High. The head coach was Mr. Lynn Brooks and working along side him was Mr. Ditter Schultz. Among some of the outstanding Varsity players were Walt Leisner, Mike Tomich, and Paul Lewis. The Junior Varsity was also coached by Mr. Brooks and finished the season in third place. Some of the outstanding members of this team included Earl Hon, Stuart Mitchell and Randy Lawrence. Both of these teams showed a promising future for the NHS Soccer League.

Latin Club Attends Junior Classical League Convention

Although their club wasn't the largest, nor did they venture into foreign lands for first-hand experiences, the Latin Club did host a few exciting activities which its members were proud of. The new school year began with one of the most festive events in Roman life—the Saturnalia. Held on Dec. 13th, this "feast of Saturn" was one of the greatest of all Roman holidays. In ancient Rome, slaves were set free and given presents, schools were let out, and gambling was legal for everyone. On March 9th and 10th, several Latin Saxons attended the Junior Classical League convention in San Jose, Calif. Here they participated in various academic and athletic competitions, besides dining in all the pomp and splendor of old Roman days. Later in the month, they held a banquet celebrating a historical event. Other activities included a celebration of the legendary founding of Rome and a picnic with roast pig.

Club members continued their fun into the summer and participated in the national JCL Convention at Claremont College in August. Sponsor Mrs. Ruby Workman is pleased that "the activities enabled them to meet Latin students from other schools".

-Deutsch Klub—Ein Kultur Erlebnis

Throughout the years, the German Club has always been a journey through the cultural wonders of all German-speaking countries. As the saying goes among some members—"Deutsch ist immer". This year the club began its list of activities with a field trip to the quaint Danish town of Solvang in

late October. December was a busy month which started out with an international dinner at sponsor Mrs. Paula Grahams house. To wish a "Frohliche Weihnachten", the club held a Christmas party-breakfast with eggs, sausage, and German coffee cakes. January found the group at the Belgium

Waffle House for breakfast. The group hopes to present puppet shows, view a movie at Alpine Village, have a potluck dinner, and carry on with their well-known "donut meetings". But perhaps one of the most looked-forward-to activites will be the summer tour of Europe.

French Club Plans for European Tour

Sponsored by Mrs. Gerry Rische, the French Club enjoyed another year of exciting activities, carried out in the "viva la france" way. The list of activities began early in the fall with a club picnic held at Peck Park in San Pedro. Here, members enjoyed the pleasure of friends and a pot-luck lunch after a short car ride or a long, hard bike hike. December found "les etudiants de francais" ending the '72 year with a Christmas party. Other activities included a club banquet at a French restaurant, viewing French flicks, and an ICC Carnival booth for raising funds.

Probably one of the most exciting moments for several Saxons will be when they board a plane and begin a three-week summer tour of Western Europe. This July, Mrs. Rische will be conducting a trip thru the countries of France, England, Italy, Switzerland, and Germany. France will be the real center of the trip with plans to spend several days each in Paris and on the French Riviera.

A Mingling of the East and West

One of the newly formed clubs this year was the Asian Cultural club — an organization not necessarily dedicated to the "yellow movement" but more to the investigation and enjoyment of the cultures of numerous Asian peoples. Sponsored by Mrs. Joan Korman, who taught oriental literature, this group of Saxons ventured into the mystery of the Far and Near East through various educational and fun-filled field trips to Asian-oriented places of interest. These included the Little Tokyo (or Japanese-town) and Chinatown sections of Los Angeles, and a Buddhist temple. Other activities held throughout the year were a pot-luck dinner at Mrs. Korman's house and a Christmas party.

AFS Strives for Peace on Earth

"Walk together, talk together all ye peoples on the earth. Then, and only then shall ye have peace." This is the motto of the American Field Service club, headed by Mr. Ray Brown. Aside from encouraging international peace thru understanding, the AFS also sponsored this year's foreign exchange student Firdevsa Nevsat. They tried to help her see the USA and understand our culture better. The club also helped our own students abroad by preparing them for their journeys. Among the activities of this group were numerous potluck dinners held at NHS, SHS, WHS, and THS. Here, Firdevsa described her native Cyprus and former senior Deb Roberson related of her summer in Brazil.

Cartoonists Create

There was a new club on the North High campus,— The Cartoonist Club. It consisted of sponsor, Mr. Michael Bryan and 15 artistic Saxons. Although still in the planning stage, the club became involved in activities such as designing the sets for the Faculty Frolics and the publication of a biweekly magazine. This cartoon magazine attempted to promote interest in the fact that cartoons are humorous and are political statements as well as symbols of life.

Art Club: Creativity Supreme

This Year's Art Club, under the sponsorship of Mr. Gary Parton, enjoyed a very busy year. To start off the 1972-73 year, they held an Arts and Crafts Show, which gave the club's members an opportunity to show off their artistic abilities. Another club-sponsored activity was the Saxon Renaissance Faire, which was a revival of the gaiety and pomp of the 1500's.

Field trips which the club took involved many excursions to various local sites to sketch and paint. In order to raise funds for all these activities, the members hoped to design and silk-screen posters for sale. As Mr. Parton explained, the club enabled any interested Saxon to express his creativity through any of the many mediums in art and crafts.

Art Club: Ken Shimizu, Michele Quiroz, Joanne Wood, Paul Chastain, Tom Togioka, Ray Vander-Muden, Denise Kredo, Rita Heinlein, Ann Crawford, Doreen Asato, Ann Okuonura, Ham Calonge, Marion Kuhn, Rick Smith, Audrie Somers, Adrienne Kendall, Jim Chandler, Debbie Seidel

Scholarship Society Symbolizes

North's Scholarship Society is a branch of the state-wide California Scholastic Federation. Members must come up to statewide requirements, involving both grades and citizenship marks. Those who are members for at least four semesters receive a gold tassel at graduation.

In order to raise money for activities during the year, the club sponsored a car wash, a pancake breakfast ticket sale, a booth at the I.C.C. carnival, and a tootsie pop sale. The club holds the record for that sale, having rid themselves of 9000 suckers.

Scholarship Society is the only club on campus that gets its members out of class for activities. As a Christmas activity, the week before vacation the club visited an art museum, and Farmers Market. Activities planned for later in the year were a picnic, a beach party, a movie, and possibly a two night stay at a lodge in Crestline.

A Masterpiece of Creative Talents

Amid the everyday hassles of writing, drawing, printing, and general organizing, there was but one goal on the minds of all staff members—to assemble various creative talents into North High's literary masterpiece ... Xanadu. This year, the formation of the Xanadu class helped in the magazine's production by eliminating all the little things which usually slowed down the staff. Sponsored by Mrs. Carole Shakely, the club provided an outlet for the creative expressions of the North High

students. Not only did the magazine accept poetry and short stories, but also contributions of songs and cartoons. It also served as an exhibit of various artistic talents.

Besides the production and sale of Xanadu, the staff engaged in many field trips. These included excursions to the parks for poetry sessions, visits to USC English classes, and sessions in Buddhism and yoga.

One of the largest, most well-known active clubs on campus was the Drama club. Under the direction of Mr. Gerald Pendrick, this group of over 85 talented Saxons demonstrated their acting abilities in various plays and musicals. Among the activities enjoyed by all were a get-together picnic at a local park in the fall. An all-school play in the spring, a large formal banquet and the ICC Carnival. The Drama Club play was *IF THAT'S WHERE ITS AT, BABY, I'M NOT GOING*. The club had its share of awards and achievements in the form of initiation into the Thespian Society, troupe 1157.

Education + Fun = Science Clubs

The Chemistry Club took on one of the busiest years ever for a science club. Sponsored by Mr. Anthony Gallo, the club provided its members with a variety of experiences in the lab (somewhat career oriented for those interested in a physics field), and also worked as a service club to NHS.

This year, the group conducted several field trips and listened to guest speakers from industries. They also viewed films available from these industries. Other activities included science projects and reports by students on them, providing assistance for students who were absent, supplementing lab work with special experiments, and investigating into the field of ecology. The annual club banquet was held at the end of the year.

"We hope to give students the opportunity to engage in chemical activities and give them recognition for scientific achievements." So stated Mr. Joseph Reinhardt, sponsor of one of North's three science organizations-the Elements club.

This year, the club activities included individual and group laboratory projects and demonstrations. Also, this group of students visited industrial chemical plants in the immediate area.

ELEMENTS CLUB: Steven Bradley, Alan E. Smith, Charles Gaugh, Craig Hayashida, Jim Kawagoye, Pat Shuss, Joel Lerstad.

PHYSIOLOGY CLUB: Gwenn Ikeda, Diana Inouye, Janice Morfeld, Susan Utley, Janice Wood, Tom Wolff.

Any person who had taken a physiology class had the opportunity to be a part of one of NHS' most educational and scientifically-minded clubs. Sponsored by Mr. Stanley Keller, the Physiology club was one of nine new organizations to take shape this year.

Although it was fairly small, this group of students quickly organized and began to seek out places of interest. In November, several members attended a Youth Health Fair and listened to lectures on cancer. Other attended an evolution seminar at Narbonne Baptist Church. Saxons also went to Occidental College in December to sit in on several seminar-discussions. The group hopes to visit a hospital and a scientific research lab in the future.

Ye Olde Renaissance Playgoers

The merrie ol' company of the Renaissance Playgoers was formed for the purpose of providing interested Saxons the opportunities of seeing local theatrical productions—both professional and amateur—at reasonable prices. In December, they attended a rollicking production of Shakespeare's COMEDY OF ERROR'S set to contemporary music. Later they viewed England's Royal Shakespeare Company's interpretation of A MIDSUMMER NIGHT'S DREAM, and the seldom-performed THE WINTER'S TALE. The group also enjoyed a banquet based on the Elizabethan Renaissance, the annual Renaissance Pleasure Faire in Agoura, and participation in the NHS Saxon Faire in the spring.

Nature's Best—Ecology Club

Sponsored by Mr. Thomas Essex, the Ecology-Backpacking club was composed of students who took an interest in nature and backpacking and were deeply concerned with the preservation of the vanishing wilderness.

A majority of the field trips taken by the club concerned the art of backpacking ... a very healthful and growing pastime. These day-long excursions gave members the opportunity to view nature in a 1st-hand and close-up way, aside from providing a little physical exercise. Trips were taken to the San Gabriel Mtns. and Malibu Canyon.

January was carwash time, with hopes of raising enough funds for an over-night backpacking trip.

FBLA Means Better Business

Sponsored by Mr. Ronald Hinders, the Future Business Leaders of America club worked for the development of competent, aggressive business leaders in today's world. They realized the importance and need for qualified individuals in future businesses.

This year, these students visited various industries, offices and corporations. They also listened to several guest speakers from different areas in business and learned about job opportunities and qualifications needed to secure jobs. Their annual banquet was held at the end of the year.

Fun and Teaching Go Together

Under the sponsorship of Mr. Robert Hiss, the Future Teachers of America strove to expand its members' knowledge of the field of teaching. Among the most enjoyable ways of learning more about education were the trips taken to various other schools' facilities.

Throughout the year, FTA members also participated in many other activities which included a Christmas party-breakfast at Norm's and a fun-filled trip to Magic Mountain. In order to enjoy these activities, it was necessary to hold candy sales and other fund-raising drives.

Saxon Speakers Gain High Honors Despite Tough Competition

The National Forensics League is a national speech honor society designed for students who participate in interscholastic speech and debate competitions. North's own NFL chapter made up the bulk of its forensics squad and sent them to various sites to vie

against others in state competitions. Sponsored by Mr. Reynolds, the NFL and Speech Club—designed for any Saxon interested in speech—had a fairly successful and a fun year.

Aside from strenuous competi-

tions, other activities for these orators included a Christmas party, ICC Carnival booth for raising funds, and an awards banquet. Here, recognition was given to Saxons who made exceptional gains in speech.

Building for the Future

The purpose of the Industrial Arts club was to offer an opportunity for the development of constructive leisure activities. Belonging to the club also satisfied the creative desires of its members, regardless of their professional interests.

Part of each meeting time, after the ordinary business was completed, was devoted to working on do-it-yourself projects. Everyone enjoyed making useful articles from a few tools and raw materials.

Field trips were arranged for the club to visit industries such as the American Standard plant in Torrance.

Checkmate With Saxon Pawns

Meeting weekly, on Tuesday after school, the Chess Club worked to expand the interest in The game of chess and to improve the individual's playing abilities. With the Fisher-Spatzky tournament receiving much coverage this year, enthusiasm among the club's members increased tremendously.

Aside from the weekly gatherings, the group also participated in the Interscholastic Chess Tournament held on February 17th. Sponsor Mr. Wayne Bantau was greatly pleased with the enthusiasm and competitive spirit shown.

Something's Fishy About This Club

One of the newest clubs at North High, and the second group to be sponsored by Mr. Gerry Pendrick, was the Fishing Club. These sixty Saxons came together with the common desire of grabbing a hook, line, and sinker, finding his own "fisherman's paradise" in a local river, and enjoying one of the most rewarding and relaxing sports today. A chance to get away from the rush of the city, to get closer with Nature, and hopefully bring home a fine meal were among the goals of this club's members.

The group hoped to participate in four to five fishing trips per year. During the Christmas holidays, 22 students and 8 teachers journeyed to Lake Anaheim. Everyone enjoyed the satisfaction and thrill of catching at least one trout, with the exception of sponsor Mr. G. Pendrick.

Julians and Valiants

Under the guidance of Mrs. Doris Schier, the Julians and Valiants strove to serve the school and community to the upmost of their abilities. Among their many activities were included to act as guides at the PTA Open House, to act as helpers to incoming students, and holding a party in October for new NHS students.

One of the new projects undertaken by the club was the "grandmother-grandfather program." Here, each member had an "adopted grandparent, whom he visited at a local old folks home. These elderly folks greatly enjoyed a Christmas party and other forms of campanionship provided.

KNHS: Keep North High Swinging

Receiving messages from outer space??

Sponsored by Mr. John Reynolds, KNHS-FM under-went many changes and remodeling in order to be a more efficient radio station. Early in the 1972 year, the station's facilities were drastically remodeled and were ready to go at the beginning of the 1973 year. Because of a pre-planned regular schedule, the members were able to be on the air every day for a certain time period.

Among many of the new ideas put forth this year was a new kind of programming which included such things as a science fiction called "New Dimensions". Another innovation was an underground show called "Radical Rock".

Aside from these many new projects, the KNHS members continued to provide sports coverage and music to eat by.

KNOR TV: Communication, Education, and Enjoyment

"The purpose of our club is to give interested students experience in TV production", said sponsor Mr. Koering. This year, in order to avoid confusion with KNHS-FM, the club KNHS-TV was changed to KNOR.

Members of KNOR were a busy group and throughout the year they

taped home football and basketball games, assemblies and other activities for future viewing. These students also had the privilege of producing a Christmas show for the Torrance Instructional TV Station. Other activities included field trips to ABC and NBC studios and a tour of Loyola University's Communications Arts Department.

Is KNOR doing a talk show??

I can tell by the clock on the wall it's about that time...

Ski Club Sweeps the Slopes

The Ski Club was new on campus this year. It was formed as a direct result of the growing interest students are taking the sport. The club was composed of nearly fifty people who enjoyed the snowy slopes together.

Most of the club's trips were to the Mammoth area in the High Sierras. Members went up on a chartered bus on Friday nights and returned on Sunday evening. This gave them all day Saturday free on the slopes. Accommodations were a dormitory type arrangement, which was great for meeting other skiers.

The club is looking forward to a good year again in 1973-1974, and hopes to get even more students interested in skiing.

Lettermen's Club — NHS Pride and Spirit

This year's Letterman's Club provided activities and outings for the letter winners of all interscholastic sports at North High. Headed by sponsor Mr. William Cunerty, the Saxons with the blue and white jackets helped to promote teamwork and spread the winning spirit of N.H.S. athletes on to other students.

Although all the members were actively involved with sports, they did find time to participate in many fun-filled activities. These included going to El Camino football and basketball games, King's Hockey game, Laker's basketball games and feasting at Ferrell's Ice Cream Parlor.

Surfs Up!

This was the first year of North High's Surf Club. The club really started out strong, with more than forty members, guys and girls. Mr. Brooks sponsored the club. Since the purpose of the club was to promote as well as enjoy the sport, many trips were planned. For instance, in April the club attended the annual South Bay High School Championships. The big trip of the year was going south to Cardiff.

Another service provided by the club was a daily surf report. Earl Hon checked and posted the report each morning.

Vocal Groups Serenade Saxons

Under the direction of Mr. Daniel Walker, North High's Vocal Groups perform to entertain and also to represent the school at various activities and functions.

This year the choir, chorale, girls' glee and mixed choruses took part in about 28 activities throughout the year. These included ladies' clubs and elementary school PTA's, civic organizations, and a few competitions. Back at NHS, these talented Saxons worked hard to present the annual Christmas concert, a spring concert, and their own version of the musical "Paint Your Wagon".

The Biggest Club on Campus

The Girls Athletic Association has been the biggest club on campus for years with Miss Marge Fulton as sponsor. They have over 300 members. They are one of the most active clubs on campus too. They participate in activities such as volleyball, basketball, softball and co-ed bowling. Girls on winning teams attended sports playdays, where they competed against other schools for top honors.

G.A.A. sponsors a dance each year besides all the sports activities. This year the dance was in April, and was a great success. In May an awards banquet was held to honor outstanding participants.

Finding Fun and Friends -Girls League

A chance for expressing creativity through exciting projects and just having fun together—this was the Girls League of NHS. Beginning far back in the summer, this group of enthusiastic females set out to plan and organize one of the best years ever. The new school term wasn't but a few weeks old when they launched their first project. In order to bring a little cheer to the "Monday morning blahs", the girls baked and delivered cookies to the entire Saxon faculty, which was greatly appreciated.

Probably the most important event in Girls League is their Winter Formal. Numerous meetings and potluck dinners were held throughout October and November to discuss the preparation of this gala event. As a result, "Nights and White Satin", held on Dec. 2nd, was a fun-filled success.

Other activities which the girls organized included the Sadie Hawkins Day Dance and a fashion show, both held in the spring. Sponsored by Mrs. Olga O'Neill and Mrs. Yvonne Barton, the "powder puff league of North High" enjoyed a very exciting and successful year.

ICC: A Crossection of Campus Ideas

This year, the Inter Club Council served its job of initiating new organizations to the fullest. During the 1972-73 year, nine new clubs joined the roster and helped to open up new paths of excitement and interest for all Saxons. These included the Asian Cultural, Cartoonists Inc., Dance, Fishing, Renaissance Playgoers, Semi-Saxon Conductors, Surf, and Volleyball clubs.

Sponsored by Miss Mary Montgomery and headed by ASB council member Bryn Kingston, ICC was a coming together of a variety of ideas and suggestions for better club activities on and off campus. Among many of the problems tackled by this group were plans for more time allotted for clubs and activity periods, and a tutoring service and group counseling project.

The annual ICC Carnival, held in the spring, was one of the council's most important projects. This event gave many clubs the chance to earn money by letting each one run a booth. A gift-donation drive for the Boys' Camp and several fund-raising events were among this year's ICC-sponsored activities.

Netters of North Stand United!

Consisting of two majorettes, thirteen cheerleaders, flag twirlers, and song queens, the Pep Club worked hard to promote school spirit and represent North High at all places and times. Under the watchful eye of Mrs. Judy Byrd, these girls demonstrated skill and imagination in their various routines. Aside from performing at athletic and school events, they also held an ICC Carnival raffle, sponsored an ice cream social, and sold pep ribbons and buttons.

Pep Club Promotes Saxon Pride

Once again, with the help of Mr. Terry Tierney, the North High tennis team tried to unite its members with the other Saxons who enjoy tennis. Saxon netters showed spirit as a team both on and off the courts. Their spirit was put to the test many times as several setbacks loomed large, but true to tradition the Saxons came through with flying colors.

The Saxon net club participated in the ICC carnival as sponsors of the ever popular "Sponge Toss."

Semi-Saxon Conductors

The Semi-Saxon Conductors are a group of N.H.S. students interested in working with electricity, as well as other areas in industrial arts.

Members worked at developing a practical and workable skill in electronics. They found the experience of working with others who's interests were similar to theirs both educational and enjoyable.

CURRICULUM

Leonard Lifton NHS Students Are His Concern

Mr. Lifton beams with happiness.

Mr. Leonard Lifton's third year as principal of North High School saw a few new ideas put forth on campus. Probably one of the first projects undertaken was that concerning improvement in NHS's appearance. This year the campus was painted in school colors—blue and white—and splashed with cheerful tints inside the rooms. The quad area was next in line with plans to add grass

and more foliage.

Developments in the curriculum began with the introduction of student self-scheduling for each semester. Not only did this procedure eliminate most of the class programming hassles, but it also served as an orientation to college registration. Aside from this, an exploratory work program was extended to

Principal's secretary: Mrs. Francene Smith.

the business, home economics, and industrial arts departments.

Among the future projects for NHS in consideration are a variable credit program, where students may receive less than 5 units for a semester's work, and an experimental mini course instruction designed for personal enrichment.

With glasses in hand, Mr. Lifton begins the day.

1973 Emphasis Placed on Involvement

"Involvement and responsibility for all students' is our motto", explained Mrs. Melvina Kovinick, Assistant Principal in charge of Pupil Personnel. This year she helped in counseling, guidance, attendance, discipline, and health. She also supervised and evaluated several faculty departments. Mr. John Nushy, in charge of Instructional Services, was kept busy with the Western Assoc. of Schools and Colleges (WASC). Working with

the faculty, he strove to improve the curriculum and develop more interesting courses.

As Assistant Principal in charge of Business Services, Mr. James Krembas' main goal this year concerned improving NHS's appearance, especially the quad and cafeteria. He also supervised the planning of the master calendar and various athletic programs.

"Let me rephrase that," says Mr. Nushy.

Mr. Krembas turns on the charm.

Communication and Education Are Their Goals

Dr. Lloyd Jones, Superintendent

Approving various educational programs submitted from schools within the Torrance Unified School District is but one of many jobs of the Torrance Board of Education. As during every year, the Board strives to establish strong communications with the students that are their responsibility and give them a chance to let their views be heard. Thus, they continued on with the student-board member meetings, in which students from North, South, West and Torrance High Schools met once a month with district administrators to discuss various problems within these campuses and possibly find solutions to them.

This year, Dr. Lloyd Jones served his second term as Superintendent of Torrance Schools. Our Area Administrator was Dr. W. Buettgenbach.

Parents + Teachers = Action

"Parents + Teachers = Action"—a theme which truly fitted the NHS PTA. Under the leadership of President Mrs. Paul Hughes, the PTA's 1209 members strove to promote the welfare of their children and keep open communication between the home and school.

Among the many activities sponsored throughout the year were the annual Open House and a Freshmen Mothers' Tea. PTA also sponsored the Senior After-Grad Party, held on June 13th. Meetings with faculty members were held often to discuss NHS courses and new programs.

"Yes I'm sure he's a good boy...."

North High's counselors have always looked upon their role as a positive aspect in the lives of students. They've felt that students need a place to go for information, a listening ear, or just to get away from the hectic class routine.

Among their many jobs were included to act as a line of communication between school and family, serve as a resource to curriculum, college and career, and to provide a positive atmosphere under which students could express themselves candidly without fear of punishment.

One very special change this year was the placing of "class sponsorship" on interested faculty members instead of counselors. This enabled counselors to devote more time and effort toward helping their students.

Relevance—The Key Goal in Social Studies

In order to present a more relevant line of study in the social sciences, the North High Social Science Department has made many progressive and significant changes in the past few years. The 1972-73 year continued on successfully with its program of the "required elective". Team teaching spread out through the department and now four instructors use this method in their United States History classes and others use it in their courses. Seminar meetings and an honors program, in which advanced students can participate in an accelerated program of social sciences, drew the interest of many Saxons. The department also carried out a type of public relations with various feeder elementary and middle schools, and sent instructors out to them to explain the programs at NHS and give individual counseling. Education was also handled outside of the classroom and students conducted several visitations to anthropology museums and government courts.

Department head Mr. Dean Malmo hoped to see a greater use of audio-visual materials and the development of critical thinking in the students.

Success in Team Teaching Leads to Expansion

This year, 300 students had the privilege of having two teachers for the price of one as a result of social science team teaching. This fabulous deal was found in the "World Cultures Discovery" and "U.S. History" courses taught by the odd couples Mr. Essex and Mr. Tabing, Mr. Thomas and Mr. MacArthur, and Mr. Rose and Mr. Malmo.

Although some may feel that the purpose of team teaching is to the benefit of the teacher (ie. making it easier to teach), it actually does more good to the student. This type of class encourages students to be taught by each other, to be self-disciplined, and to have experiences that will help them to be critical in their decision making. Seminars, role-playing, mini lectures, and simulations are regular activities that help achieve these goals.

As the result of listening to student suggestions in order to satisfy their interests, courses such as "Literature of the West", "Action and Combat", and "Literature and Politics" have been created.

In the future, the department hopes to develop a resource area where students can go any period of the day to seek directed help in English. Plans are also being made to enhance the team teaching approach which has been so successful in several other English classes and other departments.

Foreign Language Dept. Strived Toward Cultural Understanding

Communication, appreciation of foreign cultures, and an understanding of the relationship between the English language and those of other lands are among the main goals of each of the foreign language instructors. Headed by Mrs. Marguerite Landford, these 7 teachers strive to make Deutsch, Espanol, Francais and Latin more than just a course.

This year saw a few innovations within the department. Aside from the increased use of audio-visual aids, individualized instruction was put forth in Mrs. Paula Grahamer's German 3 & 4 classes. Cultural experiences, in which students make and eat the foods of other lands, continued on successfully throughout the year. But probably the most exciting of all educational

experiences in foreign language were the trips abroad. Trips to Europe were taken by Mrs. Grahamer and Mrs. Gerry Rische and their students. These teachers hope to see these educational excursions as part of the curriculum where students may earn units for them after passing a required exam after the journey.

Headed by Mr. Norman Guest, the Math Department saw through another year of proofs, theorems, and numbers. The team teaching courses of General Math and Geometry successfully completed their 2nd year. These classes offered students the advantage of seeing two viewpoints of the same subject and General Math students received more individual attention.

During the year, math teachers worked on re-writing their course outlines in order to make them a-

daptable to an independent studies or alternative program.

NHS math scholars enjoyed a few activities organized by Mr. Gerald Smith. In October, Randy Mysliviec and Doug Tao took part in the Jr. Math Seminar in L.A. Larry Posner, Susan Tamura, Jan Togioka and Rick Oyler competed at the Pomona College Science-Math Day on November 2. Science Dept. Changed With the Times

"We attempt to educate students so that they can understand the technical world and the implications science has today," commented department head Mr. Stanley Keller. Other goals in mind for the Science Department include to prepare college-bound students to be able to stay in college (since up to 50% drop out as freshmen) and to have the advance-placement students take biology, physiology, chemistry and physics over their four years at NHS.

This year because of new discover-

ies, the department underwent some significant changes. The electron cell was heavily stressed as many college tests cover it extensively, and the lab and ecological approaches received much emphasis. Teachers felt there was a greater need for conservation and understanding of biological interrelationships. Also, as a result of recent archeological finds by scientist Dr. Leakey, the "Earth Before Man" and "Evolution and Man" courses, had to be changed in their approaches and obtain more current materials.

The 1972-73 year also saw Saxon students learning and observing out of class as well as in. The physics and biology classes enjoyed several educational trips to the Los Angeles County Museum of Science and Industry. Mr. Walter Hillier's Earth Science classes journeyed to the La Brea Tar Pits and the biology classes visited the Cabrillo Beach Museum and its nearby tidepools.

Career Education

To develop in each student a measure of industrial skill, to discover and develop creative technical talents, and to develop problem-solving skills relating to materials and processes are just a few of the goals held by the Industrial Arts Department. Proud of their program and their view that "trade schools are just as important as the academic colleges", this staff headed by Mr. Jerry Barshay strove to offer opportunities for exploratory experiences in individual fields, which were helpful in the choice of a vocation, and opportunities for instruction in leisure-time activities and home repair.

Like any other department, changes in the curriculum were made to account for new finds and rules, and the exploratory-work program was introduced. Studies on the new emission control devices were made by students in order for them to be able to pass the Class A Mechanics Test. Also, eight drafting students worked for experience at the Marietta Aluminum plant. Autoshop classes had the fun and learning benefit of visiting the General Motors Corporation later in the year.

The Special Education Department—their main goal was to reach out to those who had problems in reading, speech, and behavior. Headed by Mrs. Beverly Hazher, this team of 7 teachers used "the individual touch", in which they placed more emphasis on the individual rather than the subject.

This year, students in the program engaged in many interesting field trips. these included visitations to Warner Bros. Studios, Forest Lawn, Los Angeles County Art Museum, Griffith Park, La-Brea Tar Pits, Olvera Street, and the Music Center. The Boys' Physical Education Department enjoyed the healthful benefits of several new activities including bike rides to beach and special golfing outings. "Our goal is to help the boys learn athletic skills and to improve their physical well-being", commented BPE head, Mr. Everley.

Univ. of Notre Dame, B.M.

To instill a deeper appreciation of art, drama and music and understanding of their importance in all cultures was one of the goals of the NHS Fine Arts Department, headed by Mr. Edward Nupoll. "Creativity" was the key word and it showed in everything that the students participated in. Art classes planned the Renaissance Saxon Faire and hoped to expand it more than last year's. Advanced drama students participated in the annual Drama Day and other productions. Music students and the choirs performed in the Pyschorial and several concerts. The department hopes to get more students involved with campus beautification and thus display their creative ideas.

Staff Workers Got Things Together

The Staff Workers consists of the curriculum coordinators, librarians, and the nurse. Each worker tries to get things together to the best of their extent. Sophomores got an eye and hearing test by the nurse. The curriculum coordinators did an excellent job in supervising the painting of North. The student activities advisor gave a food suggestion about the Student Center, and it became a reality by the Student Council. The librarians always keep the library in tip-top shape. Yes, this year the Staff Workers really got things together.

Keeping North Running Smoothly

It was the job of the North High service staff to keep The campus "spic and span", and the students well fed. They did an admirable job of both.

The job of the service staff is more complicated than most students realize. Maintenance of North's many classrooms and readying the facilities for student

activities were major tasks.

The job of the cafeteria workers was more well known. Certa every student has found himself in the never ending line for peanut butter cookies. While trying to please the students, it was also the task of the cafeteria to provide well balanced meals.

Serving the students.

Attendance

The life of a North High secretary was certainly never a boring one. With such duties as assisting the counselors, running the attendance office, and completing the mind boggling mountain of paper work that is so necessary for an efficiently running school, every moment was a busy one. Although Mrs. Hakanson stated "We would like to do as little as possible", such was not the case. In addition to administrative duties, all of the secretaries enjoyed working with the students. Asked to comment of future goals, the main plan was for "retirement". But what would North High do without them? As it stood, the only real goal of each of these ladies was to help NHS to the best of her ability.

Mouths drop a mile as Maria Cesca tells the latest.

Class of Seventy-Three

September 17, 1969—it has been a long four years since that first day when we walked through the gates of North High. We were the confused, timid faces eying the excitement ... but also the hearts that longed to be a part of it—yes, we were the Class of 1973.

A lot has happened since the beginning—friends made and lost, preparing for the future or just bumming around, sharing, discovering, and experiencing. Nineteen-seventy-three was truly our year with Homecoming, Basketball Royalty, The Prom, and other senior activities. But with Graduation and Commencement exercises on June 13th, all these moments became memories.

We are moving on toward new horizons now, but "the road to find out" is not ending. Only a part of it has been put away in pictures, scrapbooks and in our minds—the road that passed through these four years. Look out world—here come the Class of 1973!

It seems to be a happy day for John Freeman as he walks to his next class.

It's been a long time comin'
it's goin' to be a long time gone.
appears to be a long time,
yes, a long, long, long time
before the dawn.

Turn, turn any corner.
hear, you must hear, what the people say,
you know there's something that's going on here,
that surely, surely, surely won't stand the light of day,
and it appears to be a long,
such a long, long, long time before the dawn.

Speak out, you got to speak out against
the madness, you got to speak your mind.
if you dare.
but don't try to get yourself elected.
if you do you had better cut your hair.
'cause it appears to be a long time,
before the dawn.

It's been a long time comin'
it's goin' to be a long time gone.
but you know, the darkest hour,
is always just before the dawn.
and it appears to be a long time,
such a long, long, long time before the dawn.

The Guessing Game

Walking in the sand
Thinking of things, adventures in my mind
Of tall ships that sail
Across the oceans wide
They won't wait for me
See how they glide away so gracefully
And with tomorrow what will become of me
They leave me so much to explain
That's the start of our guessing game.

Climbing slowly on the road to the top . . . knowing the guys on the football field or the actors in the school play . . . completing the last of those required classes . . . an realizing that both the decisions and the fun times of senior year have nearly arrived . . . all are a part the Class of '74'S Junior year.

The Juniors started the year by receiving their long awaited class rings. There were now a few more hands in the school which glittered blue and gold. The class had a busy year in the fund raising area, holding a popcorn sale, selling food at basketball games, and sponsoring the Donkey Basketball Game. All were to raise money for Senior Year, the next stop on the road to findout.

Class of Seventy-Five

A little more confident and at ease, ... feeling more a part of the North scene ... becoming more involved and voicing opinions ... trying to be a girl in blue and white or a guy defending a Bay League or C.I.F. title—all this was a part of the Class of '75.

This year, the sophomores experienced a few new things. "Watch where ya goin'!" ... "Look out for that car!" ... "STOP!"—these were the frantic cries heard in HDI class as the sophomores took hold of the steering wheel and gas pedal. Dreams and visions of future senior activities kept these Saxons busy on fund-raising projects including a dance, carwash, and chocolate sale. For these second-year Saxons, "the road to find out" was becoming ever more exciting.

"Here I am, boys..."

Class of Seventy-Six

Out of the world of eighth grade and into a new one of awareness, discipline, and discovery. A lot of "Who are you?" and "Where am I?" ... confusion, frustration, and sometimes fear. These small timid faces were those of the class of '76—the Freshmen.

Yet, as time passed, freshmen settled into the Saxon way of life. Participating in student government, sponsoring fund raising activities, experiencing the tense excitement of their 1st football game, sighing with far-off hopes while watching the pep squad and drill team —this was just the beginning of four years of hopes, dreams, good and bad times. For these new Saxons, a new path on "the road to find out" was just beginning.

Jack Peters gets caught by the camera.

Truckin' our blues away.

We are all but travelers on the path of life
And though it has many bends and sideroads
What we accomplish along the way
Determines our joy in journey
And the future course of others.

Paul;
You're a ha ha free page!
Stay that a really nice guy,
having you in way. It was nice guy,
Thanks for you in helping me math nice
next year. See you.
Love, Karen
Mopiano

The theme of this year's annual has been "On the Road to Find Out"-a song by Cat Stevens. It was chosen because it described our plight exactly. We are caught in the years between adolescence and adulthood. With the finding of ourselves and our goals, a new and significant life will begin. Remember to seek the ways to human understanding and thus the ultimate in knowledge.

Walk a path of happiness,
Velma Roman

Nic

Its been great
knowing you this
past year. And I'll
admit you're a
pretty good goalie

Dave Wehrle

Paul
have a great summer.

Hope to see you next
year but not in any
Wld. Cult. dist. classes
One of those is enough
for anyone to go on
and on.

McDonald

James
Sugite

Paul
you were a good
friend. I hope to have
you in my close next
summer. I am looking
forward to it.

Karen

Paul
you have a good
summer. I hope to have
you in my close next
summer. I am looking
forward to it.

Steve
Doranne

Cheer for the same
class as you have
a good summer. I hope
you have a good summer.

Paul,
a quick spirit keeps
you moving thru life.
Set it free, always.
Have a peaceful summer
and a nice forever
